- Important Meet Information
 - If you can not attend a meet, you need to let the coaches know by Tuesday.
 - The coaches stressed the importance of everyone staying until the end of the meets. **No one is allowed to leave the meets early unless approval has been given by the Head Coach.**
 - Keep your swimmers in their bathing suits on deck until the last race, they could be asked to fill in on a relay team if needed.
 - No parents are allowed on the pool deck unless you are a volunteer for the meet. If there is a problem the coaching staff will come and get you.
 - **Everyone must be at every meet.** The only excuse for not attending a meet is if you are sick, preplanned vacations, and Death in the family. This is important especially for the boy's team because there are not a lot of boys in each age group.
 - There will be practice on Thanksgiving Week, Monday Tuesday and Wednesday evening.

 - It is suggested that during the meets those parents that are available shadow some positions, to give them a try. Stroke and Turn, Starter, Finish Judge. There is a need for additional parents in these positions.
 - Boys Meet Director: Fabienne Perrinaud
 - **NEED STARTER POSITION**
 - **If you are a stroke and turn person consider shadowing the starter at a meet, we need a parent who is willing to do this job.**

- Fundraising Committee
 - Stromboli Sales – This was a big success at the last meet. We will be ordering another bunch of these to be sold after the home meets. They are \$12.00 each and a great after meet meal. They are also good to freeze for the holidays for appetizers.
 - Five Below – We are trying to setup certain nights through the holiday season where if you shop one of the Five Below locations on a certain day, the team will receive 10% of your purchase. More information to follow on this fundraiser
 - Barnes and Noble – December 11 and 12 – 3:00-9:00PM. Methacton Aquatic Club will be gift wrapping for donations. If you are interested in this fundraiser more information will follow.
 - Holiday Ornaments – Les Konkoly is selling Methacton Swim Team Holiday ornaments. These will be on sale to support Methacton Swim Team. If you are interested, contact Les Konkoly for more information.

. Questions/Comments

- Practice Times: New Practice times have been posted on the website. These times are going to be for at least the next 4 weeks. The high school has started practicing and due to the aquatic pool schedule, these are the times offered to the swim team. The coaches are working on getting more pool time and will be the parents posted.
- Stroke and Turn Clinics: There are currently no clinics being offered. The coaching staff will keep parents posted if they are notified of any clinics during the season or after the season.

Unfortunately due to scheduling of the lounge the meeting was cut short and we were unable to get to the other committees listed in the meeting agenda
